**Serve Guests With Confidence**

The Mobile Grab & Go Station from Forbes Industries provides an elegant way to display individually packaged hot and cold food items. It features two fully insulated compartments on each end eliminating the need for electricity which allows you to set it up where you want, when you want. When your event has concluded, simply return the cleaned pans to their insulated trays, replace the covers, and roll away. No losing parts or additional storage necessary.

**Scratch Resistant Covers**  
 Maybe you have an event that doesn't need any insulated compartments? Simply replace the HD Scratch resistant covers and utilize the whole tabletop surface to suite your needs.

**Extra-Large Capacity**  
 Load the table up with up to four "Full-Sized" food pans worth of hot or cold items. Open area in the middle for condiments and utensils.

**Two Large Insulated Compartments**  
 keeps food items cool or warm for up to two hours within before having to replace Hot/Cold packs. No power needed.

**Stunning Good Looks**  
 Attractive design allow it to be stored in public areas when not in use.

**Won't Break the Bank**  
 This mobile Hot/Cold station requires no construction, installation, or power making it a great economical solution.

**Durable Construction**  
 Heavy-duty welded two inch frame construction with a strong powder coated frame for extra protection and easy cleaning.

**No Cords or Power Required**  
 The insulated compartments paired with the re-usable hot/cold packs means you can use it anywhere you desire without the need for plugs, cords, or expensive installation.

**Roll with it**  
 Heavy duty casters make mobility a no-brainer. Use it where you want to when you want to! Included brakes to keep it in place when serving.

**Food Delivery Pick Up Station**  
 Keep delivery drivers from roaming your property with an attractive designated drop-off area.

**Take A Look Under the Hood**

**Use as Hot or Cold Station**

The two built-in insulated compartments allow you to set it up as either a warming station, cooling station, or half and half. Just place heated or chilled Hot/Cold Packs in the insulated compartment, and set food pans on top. Simple as that. No cords. No hassle. \*20 Hot/Cold Packs included with purchase.
