

FIERO EXHIBITS AT THE NRA SHOW 2022

As the largest food service trade association in the world, the National Restaurant Association has been helping advance and protect the restaurant and food service industry for over 100 years! For this reason, Fiero Group is looking forward to exhibiting at the upcoming show at the McCormick place in Chicago, IL on May 21-24, 2022.

Visit them at Booth #4461 to peruse their state-of-the art baking tools; including artisan ovens and a new Fiero Dough equipment line. Their dough equipment includes dough mixing tools made for high production as well as a sophisticated line of labor-saving prep equipment.

Taste the innovative artisan pizza and baked goods being baked in their ovens by guest Chefs from renowned restaurants in NYC. See how their innovative solutions can solve any challenges that kitchens may face!
